Discounts and Services Continued on Back of This Page.

DISCLOSURES - This plan is not insurance. The Plan provides discounts at certain health care providers. The plan does not make payments directly to the provider. You are obligated to pay for all health care services but will receive a discount from those providers who have contracted with the discount medical plan organization (DMP0). Our customer service department is available to you 24 hours a day, seven days a week. Managed and Administered by: VantageAmerica Solutions, Inc., DMP0 1275 Milwaukee Ave. Glenview, IL 60025. VAS does not guarantee the quality of services or products offered by Network providers beyond confirming that the required professional licenses are held in active status. a. Note to Utah Resident: This program is not protected by the Utah Life and Health Guaranty Association. b. This program and the program administrators have no liability for providing or guaranteeing service nor any liability for the quality of service rendered. Attn Maryland Residents: Some discounts under the Physician and Hospital Referral Plan benefit are not applicable in Maryland. Discounts are not available for all In-Patient Procedures and certain Out-Patient Procedures under Maryland law. Out-Patient Procedures at network hospitals such as laboratory and diagnostics services are eligible for the discount. "Note to Texas Consumers: Regulated by the Texas Department of Licensing and Regulation, P.O. Box 12157, Austin, Texas 78711: telephone 1-800-803-9202 or (512) 463-6599; website: www.license.state.tx.us/complaints/" If you are not completely satisfied, you have the right to cancel within the first 30 days and receive a refund of your monthly charges. The one-time processing fee is non-refundable except where required by law.

TelaDoc - \$35 Primary Care Physician Consultations by Phone

After hours ... on vacation ... away on business ... Any time, Anywhere.

The convenience of accessing a physician 24 hours a day, 7 days a week, 365 days a year. TelaDoc will put you in contact with a licensed primary care physician who can diagnose medical problems and even prescribe or re-fill medications when necessary (No DEA controlled substances). TelaDoc guarantees a physician will contact you within 3 hours or your consultation is FREE!

Laboratory Services

The earlier a problem is detected the earlier and more likely it is to be treatable. You will now have direct access to major clinical labs with savings of 35% to 75% on laboratory blood tests.
